COMPLAINT WITHDRAWAL

Case no. 3:18-cv-165-mo

The Plaintiffs Shawna Cox, Victoria Sharp, and ryan-c; family of Bundy, withdraw from this complaint as there appears to be no justice in Federal Courts. True Criminals go unpunished while the innocent are being tortured. We feel that we will never receive a fair trial or that the Truth and Evidence will ever be brought to a Jury of our peers through the Federal Courts. In other words, it seems that unless we can have a court for “The People”, by “The People” and of “The People” then it

must mean that we have Admiralty Courts by the UNITED STATES CORPORATION.

We therefore draw upon the authority of "We The People" through the Common Law Grand Jury to determine the guilt of those who have committed True Crimes against the plaintiffs. Thus returning the power of "The People" back into the hands of the people.

UNITED STATES GOVERNMENT has no authority in and of itself. Government only possess that small amount of limited authority that "We The People" have granted it, by and through the constitution for the united states of America. "We The People" reserve all right, authority and power.

It is apparent that the UNITED STATES GOVERNMENT has erected multitudes of offices, and sent forth swarms of officers to harass the people, and eat out our substance.

UNITED STATES GOVERNMENT has kept among us, in times of peace, standing armies without the peoples' consent.

UNITED STATES GOVERNMENT has combined with others to subject us to a jurisdiction foreign to our constitution and acknowledged by our laws; giving their assent to their acts of pretended legislation.

UNITED STATES GOVERNMENT has quartered large troops among us and they have protected them by mock trial, from punishment for many murders which they have committed on the inhabitants of these States.

Plaintiffs: Shawna Cox, Victoria Sharp, ryan-c; family of Bundy, therefore withdraw from this complaint 3:18-cv-165-mo and draw upon the power and

authority of “ We The People” according to the rules of Common Law
acknowledged in Amendment VII to the Constitution for the united states of
America, and principles espoused in the Magna Carta to resolve the crimes by the
defendants in this case.
